Clothesline Clues Matching Game

Materials: Matching Game Printable Page

Use the provided printable page to have students match jobs and some of the tools or pieces of clothes that go with them. Provide the cut-out pieces during a small group or free play time for students to put together. As they work with the pieces, ask questions that give hints and extend their thinking.

Ex.

- What does a doctor do?
- So, what kinds of things do they need to do their job?
- What other things could match with a construction worker?
- What do you want to do when you grow up?
- What would you need to do that job?
