

Amazing Faces

RIF EXTENSION ACTIVITIES FOR EDUCATORS

FACE COLLAGE

Materials: magazines, scissors, glue, construction paper

1. Cut out different parts of faces from magazine pictures.
2. Glue parts together onto paper to create a unique face.
3. What do you see in the face you have created?
4. Write a poem about the face to go with your collage.

FACE PHOTOS

Materials: camera, printer, paper, pencils

Take a picture of a friend (or several). Once the pictures are printed, write a poem that describes each picture. Display for all to see!

POETRY JOURNAL

Create a poetry journal. Each day pick one experience to write a poem about. Use different poem types: haiku, acrostic, diamante, free verse, ballad and so on. Illustrations, pictures from magazines/computer or photos make a nice book.

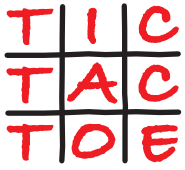

POETRY

Pick 3 poetry activities to create a 3-in-a-row tic-tac-toe.

yourself	your best friend	a food that you hate
a food that you like	your favorite activity outside of school	your favorite school subject
the way you get to school	a family member you admire	what it's like to be an only child or a sibling

(See next page for printable version of Tic-Tac-Toe Poetry activity. Have children write their 3 poems on a separate sheet of paper.)
