

No More Noodles

Judy is a very picky eater.

She drives her parents nuts.

Judy won't eat fruit or vegetables.

She will only eat noodles.

Judy likes all kinds of noodles,
but nothing else.

She likes long noodles and
short noodles.

She likes elbow noodles
and twist noodles.

Judy eats noodles for breakfast.

Judy eats noodles for lunch.

Judy eats noodles for dinner.

Judy only eats noodles for weeks.

Then one day Judy says: "No
more noodles!"

Now Judy wants fruit.

Now Judy wants vegetables.

Now Judy eats healthy.

Good job, Judy!
